Flyer Instructions

For better quality and resolution:

1. Create your flyer from the following design software: Microsoft Publisher, Adobe Photoshop, Adobe In-design, or Adobe illustrator.
2. Once created, save as .jpeg or .png and then submit picture file with the Printing Request Form attached via email.
3. Please keep in mind that all flyers will have to be approved ahead of time before print. An email will be sent if flyer is approved or not.
4. All flyers will be printed and stamped within 42 hours. Look out for an email about completion.

Poster Instructions

For better quality, resolution, and accurate sizing please follow the steps below:

1. Create your poster from the following design software: Microsoft Publisher, Adobe Photoshop, or Adobe illustrator with your chosen poster size in CMYK (coloring format).
 - If you need assistance or a template of preferred size, please email osa@pccc.edu.
2. Once created, submit the original file of the poster with the Printing Request Form attached via email.
3. Please keep in mind that all flyers will have to be approved ahead of time before print. An email will be sent if flyer is approved or not.
4. All posters will be printed and stamped within 42 hours. Look out for an email about completion.
