

**PASSAIC
COUNTY
COMMUNITY
COLLEGE**

**Continuing Education &
Workforce Development**

**Train for a Career in Healthcare & Community Outreach.
Become a Community Health Worker**

A Community Health Worker establishes a supportive and caring relationship with patients and families while teaching them how to understand their health conditions and develop strategies to improve their health and well-being.

A CHW teaches patients and their families how to navigate the health care system and access services and resources, including food, housing, health insurance, and medical care.

**Help improve the health of
your community.**
