

Message to Students About Safety Measures for Books
March 30, 2020

While our bookstore is closed, we are taking action to provide safe merchandise to our students. Follett has implemented COVID-19 procedures from receiving merchandise that includes a 3 day quarantine of all boxes received and continued disinfectant wipe down of all touched surfaces. Online orders are now being processed on a Monday and Friday schedule. In order to maintain expected delivery times, we are modifying shipping type by one level (smartpost to ground, FedEx 2nd day to Overnight) when needed.

Stay Healthy!
